

FOREST HILLS BOATHOUSE

PARKING & ATHLETE DROP-OFF - PICK-UP GUIDELINES

Parking: The designated athlete and parent parking areas include the parking lot located approximately 75 yards west of the boathouse building and the grass areas on either side of the road just after the entrance way.

The parking area located adjacent to the building has been designated for the coaching staff only.

Drop Off and Pick Up: Due to the number of athletes at the site and the congestion that can occur, we ask that all pick-ups and drop-offs occur in the parking area located approximately 75 yards west of the boathouse building. Please do not proceed past the parking lot entranceway. The gravel area in front of and around the boathouse must be kept clear in order to allow the athletes proper room to maneuver the equipment into and out of the building as well as assuring our athletes and coaches and safe from vehicle traffic.

Car Pools: Due to the limited number of parking spaces available, we strongly encourage the use of car pools. Helping us out with this situation will prevent further restrictions.
